RE: Snake River Basin Adjudication (SRBA) Claim Nos. A47-02478 & A47-02478B

Dear Mr. Guerber:

Enclosed you will find the above to referenced Notice of Claims. IDWR's agent, Carter Fritschle, has reviewed the claims your agency submitted on July 20, 1998 and found only a portion of claim A47-02478 should be claimed by your agency. The original claim for this right is therefore being returned to you. In addition, a split right has been issued, A47-02478B which is your portion of the original claim. If you would please complete the signature portion of A47-02478B and return to this office we can proceed with the processing of all of the water rights in this matter. For your information A47-00129B and A47-00130B are being processed currently.

You will soon be receiving a billing for electronic transfer of funds for filing fees on the three(3) claims filed. You will also receive a copy of the Request for Extension of Time as soon as the appropriate action has been taken by the SRBA Bureau Chief.

If you have any further questions regarding this matter please do not hesitate to call our me at 327-7931.

Yours truly,

Danni M Smith
SRBA Sr. Secretary

Identify water right(s) for which extension is requested

State why an extension of time is requested explaining how a diligent effort has been made to meet the deadline:
When the property was donated to the Historical Society, we assumed that the water
right would automatically transfer to us. We did not realize until recently that a
file transfer was required.

Claimant requests an extension to 22 July, 19 98

RE: ROCK CREEK WATER RIGHT DECREES 47-00130^B & 47-00129^B

Dear Sirs,

Please be advised that there are competing SRBA claims filed against the original decree awards for the above referenced rights. These rights are for a total of 1.0 cfs for use within the NW 160 acres in Sec 23 T11S R18E. Copies of the Water Right and Adjudication Claim computer records for each user and right are attached for your reference.

I am writing to each claimant requesting information relative to ownership and historic (many decades ago) water usage. Warranty Deed chain of title may be one element of vital information to help settle the ownership issue. Affidavit(s) from individuals with first hand knowledge of water right usage under these specific rights may also be helpful.

This information is requested to assist IDWR in providing guidance to the watermaster, Chuck Helman, and in reviewing and recommending these claims to the SRBA Court. In the absence of corroborative information from each claimant IDWR will make conclusions based on the information at hand and best legal interpretation.

Please forward information to this office at your earliest convenience. Questions may be directed to Allen Merritt, Regional Manager, or me.

Sincerely,

Douglas Jones, PE
