DATE: FEBRUARY 23, 1999
AGENT: JEANIE ROBERTSON
RE: DUPLICATE FILINGS

A47-00133A and A47-14083 were filed by Ricky and Kristin Cutler in January of 1989. The claims were for the NENE of Section 35, T11S, R18E. According to court records and deeds, they were later divorced and Rick was awarded the property. In 1992 he sold to Roy and Terry Williams and during the ownership change process it was discovered that their deeds specified the SENE Quarter of Section 35, while the claims were for the NENE Quarter. When they attempted to contact Rick Cutler about the discrepancy, they found that he had been killed in Alaska and no forwarding address was found for Kristin. They decided to file their own new claims for the property and filed A47-00133C and A47-16361 in 1994. The Williams later sold to Douglas Wise in 1994 who in turn sold to Joel and Alicia Robbins in 1997. All the deeds, beginning with Ron Patrick (who sold to Cutler) down to Robbins, show the property located in the SENE of Section 35. The deed from Cutler to Williams also specifically mentions water rights A47-00133A and A47-14083.

I have Renumbered A47-00133A to A47-00133C.
47-14083 should be Withdrawn as it is covered by 47-16361.

SUBJECT: COMPETING CLAIM QUESTIONS TO BE AWARE OF...
phone call (X) walk-in (.)

Chuck is the Watermaster for Rock Creek and raised some questions on the ownership of the water rights mentioned above. Vicki Patrick filed the original claims and the Remarks indicate that her property has the entire water rights and other portions of the homestead were previously sold dry. Patrick's property has since been sold (although we show no ownership changes in our records at this time). There are several claims filed on these rights and he's not sure how to deliver the water. I told him we would have to do a deed search at the courthouse in order to clarify such questions. Since we will not be working in Basin 47 for awhile yet, I suggested the owners of these rights may wish to pursue the deed search themselves in order to clarify and strengthen their claims...
