SUBJECT: COMPETING CLAIM QUESTIONS TO BE AWARE OF...
phone call (X) walk-in (.)

Chuck is the Watermaster for Rock Creek and raised some questions on the ownership of the water rights mentioned above. Vicki Patrick filed the original claims and the Remarks indicate that her property has the entire water rights and other portions of the homestead were previously sold dry. Patrick's property has since been sold (although we show no ownership changes in our records at this time). There are several claims filed on these rights and he's not sure how to deliver the water. I told him we would have to do a deed search at the courthouse in order to clarify such questions. Since we will not be working in Basin 47 for awhile yet, I suggested the owners of these rights may wish to pursue the deed search themselves in order to clarify and strengthen their claims...
