SUBJECT: CHANGE OF OWNERSHIP AND evidence of priority
phone call (.) walk-in (X)

He brought in a change of ownership form signed by the estate representative of the claimant. I requested documentation showing that she has legal authority to sign for the estate. He called the attorney's office that is handling the estate and they stated that they will send the papers. We also discussed evidence of priority for two statutory claims. He had a short affidavit that was not notarized for the uses. We discussed areas that should be expanded within the affidavit. He kept the affidavit and I kept the change of ownership form and had it date stamped in. I said that I will hold it until the documents come in from the lawyer.
