RE: Evidence of Priority

* RESPONSE DEADLINE *
* MARCH 15, 1995 *

Dear Claimant:

The Notice of Claim identified with the number shown above your name on the mailing label has been filed in the Snake River Basin Adjudication (SRBA). The Notice indicates your water usage is based on "Beneficial Use" or a "Statutory Claim". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. The Department will, at a later date, conduct reviews &/or field exams for the claims in your area. Since the priority date of a beneficial use water right can not be confirmed by field examination, **proof must be provided by the claimant supporting the priority date claimed.**

If you no longer own the property to which the claim is appurtenant please forward this correspondence to the present owner, or return it to the department. If you have received this correspondence from the previous owner of the property it is recommended that you file a Change of Ownership form with the Department in order to receive future mailings and to continue to be a party in the adjudication.

Please find enclosed a computer printout of your Notice of Claim and the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement.

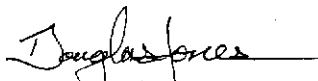

SPECIAL NOTE: The Department will not recommend the Notice be decreed by the court as claimed if no evidence of a priority date is submitted. It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement must be in the form of a

notarized affidavit.

Please submit the required evidence supporting the priority date by March 15, 1995, referencing all documents with the corresponding Notice number. If you have any questions not covered by this letter or the enclosed pamphlet, please contact this office.

Sincerely,

Douglas Jones, P.E.
Water Rights Supervisor

Re: A47-14971

RICHARD and JUDITH ANDREWS

In 1916 the Conrad family acquired the 160-acre farm - consisting of the 80-acre parcel described as Township 10 South, Range 13 East of the Boise Meridian, Twin Falls County, Idaho, Section 26: W1/2 SW1/4, and the 80-acre parcel described as Township 10 South, Range 13 East of the Boise Meridian, Twin Falls County, Idaho, Section 27: East 1/2 SE1/4. This 160-acre farm was held by the Conrad family until it was sold to the present owners, Richard and Judith Andrews, Mr. Andrews' son-in-law, Wayne Haas, and Mr. Andrews' brother, Jerome Robert Andrews.

In that same year - 1916 - our family began using waste water diverted at the southeast corner of T10SR13ES27 to provide stock water and to irrigate approximately 10 acres in the parcel T10SR13ES26: SW1/4 SW1/4. Later, a siphon tube was installed under the Twin Falls Canal Company's lateral in order to allow the waste water to be used also to water approximately 10 acres in the parcel T10SR13ES27: NE1/4 SE1/4. To the best of our knowledge, the waste water in question has never been used for any other purpose than as herein set forth.

It is our understanding that Mr. Andrews has filed a claim with the Department of Water Resources to assure that this waste water

RICHARD C ANDREWS

SUBJECT: evidence of priority FOR A47-14971

He brought in an affidavit from the previous owner explaining the waste water use. The affidavit was altered in two places. The year that the Conrad's aquired the property was advanced from 1916 to 1918 in both locations. Mr Andrews indicated that the explanation for uping the date to 1918 was done by the Conrads and that they indicated as such on the back of the envelope. I requested that Mr Andrews attest to that, again on the back of the same envelope. I then notarized his statement.

I intended writing a letter & forgot
so I'll write something tomorrow.
We changed the date of ownership
to be sure it was OK.

Lucile had told me that the Conrads bought the
farm in 1916. But she felt she should change the
date to 1918, "just to be sure."
