COMMUNICATION DOCUMENTATION

Claim No. A47-15248
A47-15249

This form is to be used to document public record information requests regarding any SRBA claim or claims. The form may also be used to document IDWR communications requesting information regarding any SRBA claim or claims when the request is not made in writing or the claim verification report is not readily available to document the request. This form is to be filed in all relevant claim files or a central office file.

IDWR Employee/Agent Jeanie Robertson Date 1/26/95

Contact Person(s) Father Francis DeNardis

Nature of Contact office visit

Substance of Communication he came in with his evidence of
priority packet and we went over it. Seems his best
bet would probably be an affidavit from his 93 year
old mother, since she moved onto the place in the
early 1930's. She remembers apple groves there at
the time and the size of the trees would probably
help support the earlier priority dates... Gave him
a couple of blank affidavit forms.

RECEIVED

IN THE MATTER OF:

NO A47-15249

FEB 01 1995

State of Idaho

County of TWIN FALLS

Department of Water Resources
Southern Region

AFFIDAVIT

MRS ALICE DE NARDIS being first duly sworn, deposes and

says: WHEN I FIRST CAME HERE IN 1926
THE BIG PASTURE AND THE BACK FORTY
FIELDS WERE WATERED FROM THE SEWER
CREEK. THE LYONS SOLD ALL THE WATER
OFF THEIR PLACE IN ORDER TO BUY THE
LAND WHICH USED TO BE DAD PARKS PLACE.
IN THE EARLY DAYS WHEN THE LAND WAS
TAKEN UP IT WAS PUT INTO AN APPLE
ORCHARD AND GRAPES. AND THE WATER
CAME OUT OF THE SAME SEWER CREEK
MOM SAYS SHE THINKS DAD BOUGHT THE
BACK FORTY IN THE LATE 20s. MOM WATERED
THE BACK 40 PASTURE AND I SURVEYED THE
DITCH IN THE 40s AND 50s. MOM REMEMBERED
WHEN THERE WAS NO WATER ON JAKE COHEN BARGERS
PLACE AT ALL. I USE TO GO UP AND GET THE
WATER WHEN THE LYONS WOULD TAKE IT ALL.

RE: Evidence of Priority

* RESPONSE DEADLINE *
* MARCH 15, 1995 *

Dear Claimant:

The Notice of Claim identified with the number shown above your name on the mailing label has been filed in the Snake River Basin Adjudication (SRBA). The Notice indicates your water usage is based on "Beneficial Use" or a "Statutory Claim". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. The Department will, at a later date, conduct reviews &/or field exams for the claims in your area. Since the priority date of a beneficial use water right can not be confirmed by field examination, **proof must be provided by the claimant** supporting the priority date claimed.

If you no longer own the property to which the claim is appurtenant please forward this correspondence to the present owner, or return it to the department. If you have received this correspondence from the previous owner of the property it is recommended that you file a Change of Ownership form with the Department in order to receive future mailings and to continue to be a party in the adjudication.

Please find enclosed a computer printout of your Notice of Claim and the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement.

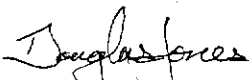

SPECIAL NOTE: The Department will not recommend the Notice be decreed by the court as claimed if no evidence of a priority date is submitted. It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement must be in the form of a

January 10, 1995
page 2

notarized affidavit.

Please submit the required evidence supporting the priority date by March 15, 1995, referencing all documents with the corresponding Notice number. If you have any questions not covered by this letter or the enclosed pamphlet, please contact this office.

Sincerely,

Douglas Jones, P.E.
Water Rights Supervisor
