phone call (X) walk-in (.)

The two claims above are in Martin's name, however, the 10K series is for domestic-groundwater, and the Decreed right is 5 acres irrigated w/ 0.053 cfs.

Since the beginning of February, I have had several phone calls with concerns of a large dairy going in west of Hollister. After talking w/ Funderberg, Reitsma and Martin are trying to get water rights transferred to this area for a dairy (5000 head???). The phone calls are concerning a well that has been drilled recently. Funderberg says, "... well is domestic w/ conditions..." I asked about INTENT??? It appears there is a dairy on the horizon, the domestic well can take care of 350 head.
