RE: SRBA Claims for Tim Chadwick as Amended

Dear John,

Enclosed are the copies of the Chadwick claims as prepared on the IDWR database. I decided to send you these copies since the total acres calculated appear different from the submitted copy. It only affects the groundwater claims A47-02308 A & B and A47-07088. Our record shows 1154.1 acres while the info you submitted lists 1059.1 acres. My cross-checking found the POU listings to be the same, however, if I missed something please let me know and I will correct it immediately.

I do not see any problem with the filings since the POU as listed is the same in both versions; only the total is different. I am not sure how this will affect the transfer or change of ownership you are preparing for your clients and I leave that in your hands.

If you have further questions then please feel free to call me.

Sincerely,

STEVE CLELLAND
Sr. Water Resource Agent
