RE: RECENT FILINGS

Dear Sharon:

Please find the enclosed yellow copies and a printout for the domestic claim A47-16727. Review the material for completeness and accuracy. I have also enclosed a receipt for the fees submitted.

I have also completed the preliminary data entry of the amended claim A47-02205. During my review I found that insufficient fees have been remitted for the new claim configuration. My analysis indicates that fees totalling \$60 were paid at initial filing (see attached receipt record). Since the 1.5 cfs was initially covered under the fees for 02-02056 for power use then identification of the use as actually for cooling purposes (industrial) requires separate fee. Under Idaho Code the appropriate fee for 1.5 cfs is \$150 (\$100 per cfs). Please forward the correct amount at your earliest opportunity so that I may complete processing of the amended claim.

Thank you for your assistance in this and I look forward to hearing from you soon.

Sincerely,

Douglas Jones, P.E.

RE: IDAHO POWER COMPANY AMENDED CLAIM #47-02205
IDAHO POWER COMPANY LATE SRBA CLAIM

Dear Doug:

Enclosed herewith is an amended adjudication claim for water right #47-02205. The license for this right indicates nature of use as "irrigation, domestic and **power station purposes**." The use of the water has always been for irrigation, domestic and cooling in the plant at the Twin Falls hydro plant. When the original SRBA claim was filed in 1991, it was erroneously filed for "irrigation, domestic and **power**" use, instead of the cooling use at the power plant to which the water has been applied since the right was developed. No change in nature of use of the water has taken place; however, we are amending the claim to reflect the actual usage of the 1.5 cfs under the license.

Also enclosed is a late SRBA claim for domestic use at the Twin Falls plant, specifically for 0.02 cfs for the park restroom. Our filing fee in the amount of \$25.00 is also enclosed.

Thanks for your assistance, and please contact me with any questions or concerns.

Sincerely,

SHARON HART STRICKLAND
