SUBJECT: OWNERSHIP CHANGE/DIVORCE ???

phone call (X) walk-in (.)

Said she was recently divorced and needed to get the ownership changed on some of her water rights. They had two parcels of land and she will retain the 40 acre piece, while her ex-husband, Terry, will retain the 80 acre piece. Some of the claims will be in her name only while some will be in his name only. Then she said they will share one. Told her we would need some documentation (Quit Claim Deeds, etc.) to make the changes. Sent some O/C forms and profile reports for the above claims. (Some of them were in Terry's name with a Gary Van Winkle. Didn't know if these claims were involved, but sent reports anyway, just in case...)
