Re: Claim Filing

Claimant realized that the 40 acres in the SWNE of Section 25, T11S, R18E covered by license 47-2473 had never been claimed in the adjudication. He opted to claim it in a PPU along with lands covered by the beneficial use field report for permit 47-7673 and license 47-2544. {He was thinking of also including the lands in Section 33, T 11S, R19E (covered by 47-2532 and 47-4492) and Section 4, T12S, R19E (covered by 47-2529) but wasn't sure if the entire system was interconnected before 1987. If he finds it was, he may amend all the claims to include the entire place of use, if not, a transfer will be needed...an ownership change is pending on all the Winding Brook Corp rights in Basin 47 to Kevin Guthrie}
