RE: SNRA Claim #A47-00033, A47-02363

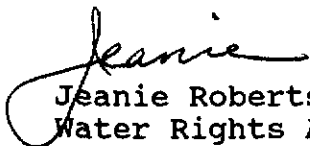

Dear Mr. Brewer:

Thank you for bringing in the change of ownership form for the two claims mentioned above. In processing your ownership change, I was able to change the ownership on A47-00033 but found that A47-02363 was withdrawn by Mrs. Turner and the fees paid were refunded. The current status of the claim is withdrawn and it will not be recommended in the SRBA.

Please note that Domestic and Stockwater uses under 13,000 gallons per day are deferrable and not required to be claimed, but should you wish to file for the water use you may do so at a cost of \$25.00. I have enclosed a brochure which explains this.

If you have any questions or wish to file a new claim, feel free to contact this office for the required forms.

Sincerely,

Jeanie Robertson
Water Rights Agent

SUBJECT: OWNERSHIP CHANGE
phone call (.) walk-in (X)

He brought in an ownership change form signed by the previous owner for these two claims. Turned out A47-02363 had been Withdrawn by the previous owners and the money refunded. Changed A47-00033 and sent him a letter regarding A47-02363 and told him it was considered to be Withdrawn at this point but he COULD file on the License if he so chooses for \$25.00.

I noticed that the claim was different than the original License (more cfs and additional P/U) so perhaps he should file a beneficial use claim if he decides to refile, based on the priority date of the apparent expansion. If he does file on the License, the claim will be recommended as per the License and any expansion will either be disallowed or a new beneficial use claim will be required as of the date of the expansion...
