SUBJECT: ?? ON WATER RIGHT/CLAIM ??
phone call (.) walk-in (X)

They were in yesterday with questions on water rights or claims for some property in T09S, R14E, NESE of Section 9. I told them I would take the information and do some research and get back to them...

She indicated she is thinking of putting the place up for sale and wanted to get the water rights straightened out first. There is an old statutory claim (47-04177) which appears to be appurtenant to this property. It has several claims already filed on it and is overclaimed already, but it looks like she is entitled to file another claim on her 6 acres and .12 cfs. Gary said the land hadn't been irrigated in some time, it was just waiting for development. I reminded him that Idaho Code 42-222(2) states that if land isn't irrigated for 5 or more consecutive years, the water right is subject to forfeiture. They will call for an appointment soon to file a new claim...
