TOM OKAMOTO, being first duly sworn upon oath, deposes
and states as follows:

(1) My name is Tom Okamoto. I have personal knowledge
of the facts and matters set forth in this affidavit. This
affidavit is filed as evidence of priority in support of the two
water rights noted above which are owned by your affiant and his
wife.

(2) We purchased the property in question from Gary and
Doris Meyer on October 2, 1984.

(3) Your affiants assertions herein are therefore based
on personal knowledge from the date of purchase, numerous
conversations with my predecessors in interest as well as
conversations based with neighbors who have lived in the area for
years and my personal records.

(4) With respect to water right #A47-07400 I believe
that we are entitled to a water right for .04 cfs from our domestic
well. This well is used continuously through the year and has been
beneficially used as described above since June 1, 1977.

1 (5) With respect to water right #A47-04231A I believe
2 we are entitled to an irrigation water right of .20 cfs from March
3 15th to November 15th of each year as well as a second water right
4 for .02 cfs which is used for stockwater continuously throughout
5 the year. This water right has been beneficially used as described
6 above since March 15, 1935.

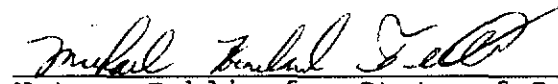

7 (6) Attached to this water right are copies of the Idaho
8 Department of Water Resources Adjudication Claim Profile Report
9 which I believe to be accurate other than the fact the stockwater
10 right is used continuously throughout the year and not solely
11 between April 1st and November 1st as reported in the claim profile

13 Further your affiant saith not.

RE: Okamoto (2460) and Lunte (2248)

Dear Mike:

Your inquiries of February 27, 1995 have referred to me for research and response. To confirm our phone conversation about the general question of whether claimants are required to respond to the evidence of priority letter if they agree with the profile report information - yes, IDWR may not recommend the claim to the court at all, or may substantially modify the priority date in the recommendation to the court, if no response is received by the Director's Report filing date.

A profile report of Mr Tom Okamoto's domestic right is enclosed. This right is based on a license and is not subject to the priority date evidence requirements.

Enclosed are profile reports in the names of James Lunte or Lunte Farms, Inc. As you can see there are a total of five claims, but I am uncertain how many separate wells are identified. Based on the legal descriptions there are at least four different wells, but there may be five (two claims have the same 10 ac tract described for a point of diversion). None of the claims identify two or more wells in the system. However, only claim A47-04310 is subject to the evidence of priority request - the others divert less than 13,000 gallons per day.

If you have any questions please contact me.

Sincerely,

Douglas Jones, P.E.

Dear Mr. Jones:

RE: Tom Okamoto
Evidence of Priority A47-04231A
Our File No. 2460

Our office has been retained by Tom Okamoto to assist him in preparing the Evidence of Priority with his water right, #A47-04231A. My first question to you, which is also a general question which applies to all individuals I am helping with their evidence of priority, is whether an affidavit needs to be filed with the Department/Court if a claimant in fact agrees with the profile report sent to him by the Department. In other words, if a claimant submits nothing, will the Department support a right for the claimant that coincides with the information on the profile report?

My next question which is specific to Mr. Okamoto's case is whether or not the Department has a record of the domestic well serving his home. I note on the profile report that his domestic well is not mentioned. I have included a copy of the claim profile report so that you can get the legal description from such and check your records. Perhaps the well is still listed in Gary Meyers name who is the individual that built Mr. Okamoto's home. If the well in fact is still in Mr. Meyers name, I would appreciate it if you could send me a change of ownership form so that I may complete it and submit it to your department.

As always, do not hesitate to contact me if you have any additional questions or comments regarding this matter. I look forward to your response.

Very truly yours,

MICHAEL HARLAND FELTON

RE: Evidence of Priority

* RESPONSE DEADLINE *
* MARCH 15, 1995 *

Dear Claimant:

The Notice of Claim identified with the number shown above your name on the mailing label has been filed in the Snake River Basin Adjudication (SRBA). The Notice indicates your water usage is based on "Beneficial Use" or a "Statutory Claim". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. The Department will, at a later date, conduct reviews &/or field exams for the claims in your area. Since the priority date of a beneficial use water right can not be confirmed by field examination, **proof must be provided by the claimant supporting the priority date claimed.**

If you no longer own the property to which the claim is appurtenant please forward this correspondence to the present owner, or return it to the department. If you have received this correspondence from the previous owner of the property it is recommended that you file a Change of Ownership form with the Department in order to receive future mailings and to continue to be a party in the adjudication.

Please find enclosed a computer printout of your Notice of Claim and the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement.

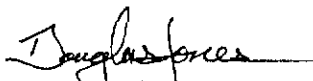

SPECIAL NOTE: The Department will not recommend the Notice be decreed by the court as claimed if no evidence of a priority date is submitted. It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement must be in the form of a

January 10, 1995

notarized affidavit.

Please submit the required evidence supporting the priority date by March 15, 1995, referencing all documents with the corresponding Notice number. If you have any questions not covered by this letter or the enclosed pamphlet, please contact this office.

Sincerely,

Douglas Jones, P.E.
