I mailed him a letter to confirm the ownership of the two above rights. He called to confirm that he did own the property. I checked on the aj data base but did not find a filing for 47-04254. I described the process relating to statutory claims both wr and aj. I explained that the canal co position normally takes precedence on waste water claims. I also explained the need for evidence of priority. He indicated that he would be in to file a claim.
