RE: Evidence of Priority

* RESPONSE DEADLINE *
* MARCH 15, 1995 *

Dear Claimant:

The Notice of Claim identified with the number shown above your name on the mailing label has been filed in the Snake River Basin Adjudication (SRBA). The Notice indicates your water usage is based on "Beneficial Use" or a "Statutory Claim". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. The Department will, at a later date, conduct reviews &/or field exams for the claims in your area. Since the priority date of a beneficial use water right can not be confirmed by field examination, **proof must be provided by the claimant** supporting the priority date claimed.

If you no longer own the property to which the claim is appurtenant please forward this correspondence to the present owner, or return it to the department. If you have received this correspondence from the previous owner of the property it is recommended that you file a Change of Ownership form with the Department in order to receive future mailings and to continue to be a party in the adjudication.

Please find enclosed a computer printout of your Notice of Claim and the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement.

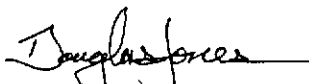

SPECIAL NOTE: The Department will not recommend the Notice be decreed by the court as claimed if no evidence of a priority date is submitted. It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement must be in the form of a

January 10, 1995
page 2

notarized affidavit.

Please submit the required evidence supporting the priority date by March 15, 1995, referencing all documents with the corresponding Notice number. If you have any questions not covered by this letter or the enclosed pamphlet, please contact this office.

Sincerely,

Douglas Jones, P.E.
Water Rights Supervisor

RE: Evidence of Priority - Claim A47-04294

Dear Doug,

On Friday, December 29, 1995, I was in your office to review the file on the above referenced claim, to find out if the Evidence of Priority had been submitted. According to the file the original claimants, Carl Blass and Robert Blass, had not responded to your letter of January 10, 1995, requesting this information. You indicated to me at that time that eventhough the letter stated a deadline of March 15, 1995 to submit this evidence, it could still be dealt with at this late date. However it is noted that the department will not recommend the Notice be decreed by the court as claimed, unless evidence is submitted.

This letter is to inform you that our client has purchased the property which includes this water right, and is in the process of complying with this request for evidence of priority. Thank you for your assistance and patience in this matter.

Yours truly,

CARL H. BLASS, being first duly sworn on oath, deposes and says:

1. I was born on May 27, 1901, on a farm owned by my parents near the Snake River Canyon, identified as the S½ of Section 17, Township 9 South, Range 16 E.B.M., in Twin Falls County, Idaho. I was raised in this area and worked on my father's farm and traded work with neighbors.

2. A portion of the property identified as the S½ of Section 17, Township 9 South, Range 16 E.B.M., in Twin Falls County, Idaho, is subject to a Claim to a Water Right, filed by Carl and/or Robert Blass. A true and correct copy of said Claim to a Water Right is attached hereto as "Exhibit A", and incorporated herein by this reference.

3. The property subject to "Exhibit A", was originally homestead by my father. Attached hereto as "Exhibit B", is a true and correct copy of Land Patent Number 868163 transferring a portion of the property subject to "Exhibit A" from the United States to my father.

4. I purchased the property identified as S½ of Section 17, Township 9 South, Range 16 E.B.M., in Twin Falls County, Idaho, from my father in 1937 and 1951. Attached hereto as "Exhibit C", are true and correct copies of the deeds transferring a majority of this farm from my parents to me.

5. Since I was old enough to remember, the property identified in "Exhibit A" was used as irrigated pasture for our stock cattle and the raising of fish, and the water subject to the above referenced Claim of Water Right was beneficially used for those purposes.
