SUBJECT: evidence of priority FOR A47-04422
phone call (.) walk-in (X)

JERRY SHERER brought in evidence of priority for his use for A47-04372 which was a copy of evidence submitted for 120 acres and filed with A47-04358. That evidence appears to cover the ground for the Kerr and Sherer property as well as A47-04358. I have accepted the copies as evidence and am referencing A47-04358 as holding the original documents. At Jerry's request I am placing copies of this information in Lynn's file. Jerry also referenced two other individuals that have property within the 120 acres described in the evidence of priority but I did not find any claims for that use under their names based upon an AJQ1 search. They are Rosco Patton and Ken Cory.

To whom it may concern:

I have known the Warners, particularly Bill, since childhood. Living north of Warner, we drove past on the road to Twin Falls, and can recall the diversion of water from the sage stream - Mr. L. H. Warner, senior, allowed me access to fish as I recall this diversion distinctly. This was in the late 1920's and thirties.

I was born in 1919 and grew up 4 miles north of Curry on the Canyon and we were friends of the Warners.

RE: Evidence of Priority

Dear Claimant:

* RESPONSE DEADLINE *
* MARCH 15, 1995 *

The Notice of Claim identified with the number shown above your name on the mailing label has been filed in the Snake River Basin Adjudication (SRBA). The Notice indicates your water usage is based on "Beneficial Use" or a "Statutory Claim". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. The Department will, at a later date, conduct reviews &/or field exams for the claims in your area. Since the priority date of a beneficial use water right can not be confirmed by field examination, **proof must be provided by the claimant supporting the priority date claimed.**

If you no longer own the property to which the claim is appurtenant please forward this correspondence to the present owner, or return it to the department. If you have received this correspondence from the previous owner of the property it is recommended that you file a Change of Ownership form with the Department in order to receive future mailings and to continue to be a party in the adjudication.

Please find enclosed a computer printout of your Notice of Claim and the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement.

SPECIAL NOTE: The Department will not recommend the Notice be decreed by the court as claimed if no evidence of a priority date is submitted. It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement must be in the form of a

January 10, 1995
page 2

notarized affidavit.

Please submit the required evidence supporting the priority date by March 15, 1995, referencing all documents with the corresponding Notice number. If you have any questions not covered by this letter or the enclosed pamphlet, please contact this office.

Sincerely,

Douglas Jones, P.E.
Water Rights Supervisor
