RE:

FILE LATE CLAIM

She wanted to file a late claim on the right 47-04379. She does not own all the POU but due to the late stage of the process it does not appear the original filer is going to file for the small part that would remain if it were to be split. It can be split at a later date if necessary. I also gave her the brochure for submitting proof of priority and suggested she submit the info ASAP.

PRIORITY PROOF SENT

She sent in a letter and copy of the TFCC stock certificate as proof of priority for the claim 47-4379. I called her, as requested, to let her know I would file the info but there would not be a full investigation of the claim for 2 more years. At that time we may need to ask for additional information that is not apparent today.
