Dear Kelly,

Hi! I was in the Rogerson area yesterday doing field exams in our "fringe" areas. In the process I met with Roland Patrick from Devil Creek ranch to discuss his decreed right from Deadwood creek.

He also has some decreed rights in basin 47, two of which are numbered ~~47~~-00044A and A47-00196. Anyway, he has added three diversion points on Devil creek. I have enclosed a map which shows their locations.

Hope everything is going well "down there". Everything fine here. We are very busy trying to complete basin 51 and start on basin 61. Hope the weather holds out. So far so good. Also, we have expanded the office space so we now have a portion of what was Mid-Mountain Datas. The carpenters are still working on the bathrooms trying to get them in compliance with the Disabilities Act. Cindy and Lori Graves are now across from the receptionist desk and that whole area is opened up.

Hope the above information is helpful. Guess I'll be seeing you at the next adjudication meeting.

Sincerely,

Linda Werner
