SUBJECT: FISH PROPAGATION RIGHTS??

phone call (X) walk-in (.)

Gave me the legal description of T10S, R14E, SENW of Sec 3, Lot 3 and wanted to know if there were fish propagation rights for a David and Ruth Stoddard? Found the statutory claim and license listed above and also a domestic for two homes. FAXed profiles of all three to her @ 736-2404...

Later that day, Jeff Rolig, an attorney in town, called to ask a few questions about the rights. I explained that A47-07082 was based on a License and A47-04363 was a Statutory or beneficial use claim and evidence of priority has been submitted. At this point, since we haven't begun our verification in Basin 47, that is about all that is required. A47-10807 is a domestic claim and nothing further is required for it at this time either...
