RE: SRBA Claim

Dear Claimant:

Please find enclosed your adjudication claim and your check # 1551 for \$ 170.00. We are returning these to give you the opportunity to withdraw the claim as originally filed. Since March 25, 1963 it has been required by law to apply for a water right permit to establish a water use from groundwater for any water use other than that defined as single household domestic (including irrigation of less than 1/2 acre) and/or stockwater (less than 1000 range cattle) using 13,000 gallons per day or less.

Since we can find no record of a permit or license for the use you describe, the Department, in its final report to the court, would be forced to recommend that your claim be rejected.

At this point please consider the following options:

Return the claim as filed understanding that the Department will recommend the claim be rejected. Upon rejection you can pursue litigation.

Record the use now by filing for an application for permit.
(Please contact our office for forms, instructions or assistance)

~~File modified claim or claims which would properly record your use. For example, if your use is multiple domestic you could file multiple claims each meeting the single family domestic definition. BUT BEFORE RETURNING SUCH CLAIMS PLEASE READ THE ENCLOSED DRAFT TEXT FOR D&S BROCHURE. Due to a recent court ruling you may defer filing such claims.~~

If you choose to file adjudication claims, you will need to return them with the correct fee within 30 days from the date of this letter or the claims will be considered late and each subject to additional late fees which could be \$50.00 or more. In returning claims please attach a copy of this letter. Please call if you have questions.

Sincerely

Allen Merritt, P.E.
Water Rights Supervisor
