RE: Withdrawal of claim A47-13152

Dear Mr. Doerr:

Pursuant to your visit to this office on 4/21 I have inquired with the IDWR-State Office about how to handle the above referenced claim (domestic) relative to claim A47-07307 (domestic & irrigation). In summary, if you recall, it appears that A47-13152 was initially filed in 1988 to cover your usage at your property near Addison and Eastland. However, during claim processing it was discovered that A47-13152 would not provide the extent of irrigation that occurs at the property - irrigation associated with domestic use is limited to 1/2 acre. Water right license 47-07307, which authorizes your irrigation requirements, is appurtenant to the property. IDWR requested that you replace A47-13152 with a claim based on the license, which you did accomplish in 1989. Filing fees for claim A47-07307 totaled \$51. Claim fees for A47-13152 amounted to \$25 and was receipted under #C004550. Receipt number S008848 was made for \$26 at the time claim A47-07307 was filed. Both receipt numbers are referenced on the original claim form for A47-07307, this indicates that that fees for A47-13152 were applied to the total due for A47-07307. In order to resolve the redundant claim filings on this property I request that you sign, date, and return the enclosed form which will allow us to remove claim A47-13152 from valid status and allow the fees paid to be applied to claim A47-07307.

If you have any questions please contact us.

Sincerely,

Douglas Jones, P.E.
Water Rights Supervisor
