IDWR Employee/Agent Jeanie Robertson Date 2/17/95Contact Person(s) Ed YraguiNature of Contact office visit

Substance of Communication he came in with some questions on Evidence of Priority. Looks like there were some data entry problems with this claim. He claimed stockwater use for .02 cfs (item 6) but then in item 7, the total quantity appropriated is claimed as 2.7 cfs - hence, the letter. He did say he didn't think he uses more than 13,000 gpd. I think he needs to amend this claim: clarify item 5. (description of diverting works), claim .05 cfs as the license specifies with 2.7 as the 'diversion volume', not the 'total appropriated'; and perhaps base it on the 'License' instead of 'beneficial use'. Called and asked him to come back in so we could talk about amending his claim...

RE: Evidence of Priority

Dear Claimant:

* RESPONSE DEADLINE *
* MARCH 15, 1995 *

The Notice of Claim identified with the number shown above your name on the mailing label has been filed in the Snake River Basin Adjudication (SRBA). The Notice indicates your water usage is based on "Beneficial Use" or a "Statutory Claim". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. The Department will, at a later date, conduct reviews &/or field exams for the claims in your area. Since the priority date of a beneficial use water right can not be confirmed by field examination, **proof must be provided by the claimant** supporting the priority date claimed.

If you no longer own the property to which the claim is appurtenant please forward this correspondence to the present owner, or return it to the department. If you have received this correspondence from the previous owner of the property it is recommended that you file a Change of Ownership form with the Department in order to receive future mailings and to continue to be a party in the adjudication.

Please find enclosed a computer printout of your Notice of Claim and the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement.

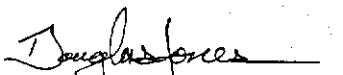

SPECIAL NOTE: The Department will not recommend the Notice be decreed by the court as claimed if no evidence of a priority date is submitted. It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement must be in the form of a

notarized affidavit.

Please submit the required evidence supporting the priority date by March 15, 1995, referencing all documents with the corresponding Notice number. If you have any questions not covered by this letter or the enclosed pamphlet, please contact this office.

Sincerely,

Douglas Jones, P.E.
Water Rights Supervisor
