SUBJECT: LATE CLAIM A47-07575 AND CHANGE OF OWNERSHIP FOR OTHERS
phone call (.) walk-in (X)

Jim Stanton notified her that she did not have an adjudication claim filed on the above right and that one was required to protect her right. After discussing the circumstances it appears that there was some misunderstanding at claims taking and that this claim was just missed. She elected to file the claim at this time and pay late fees. I gave her a form to request waiver of late fees.

I did a name search on her former husband and found that two claims are still in his name. She indicated that she owns the property. I gave her a change of ownership form and explained what was required to complete the paperwork. Claims A47-02260 and A47-07174B.

I also noted that two claims had been withdrawn. She thought that they were for property now owned by her sons. She took proof reports with her to discuss the issues with them. Claims A47-14097 and A47-14097.
