He bought this property about two years ago and the License had never been claimed in the Adjudication. I charged him the \$50.00 filing fee and \$2.00 for the acreage, but not the late fee since he was a new owner and hadn't been notified in respect to this property, according to ML3. (We haven't done Second Round Notice in Basin 47 yet either.) He also decided to file on the domestic well on the property. I receipted them both together on S021054...
