Dear Sir:

Recently I filled out the forms for the adjudication and sent my wife to your office to deliver the papers.

Someone made an error on the transcription of information to line 13 of the IBM printout. This line shows CANAL SHARES ARE AVAILABLE BUT NOT USED. The line should show that CANAL SHARES ARE AVAILABLE AND HAVE BEEN PUT TO BENEFICIAL USE EACH YEAR.

The amount of use varies with the size of the trees and the cost of pumping water. The water has been called for and delivered and used and paid for each year.

I would appreciate a correction in order to present accurate information to the court.

Sincerely,

Cliff H. Snider
