RE: NOTICES OF CLAIM A74-01581, A74-01598

Dear Mr. McKinney:

While doing the initial comparison between computer generated Notices and hard copy Notices filed by claimants in Basin 74, it has come to our attention that a notarized copy of your Notices is not in our files.

Although your Notices of Claim to your water rights have been data entered in our computer system, it is necessary that we have a signed and notarized Notice before we can process the Notice and make recommendations to the court. Since your names are separated by "or" only one of you need sign the Notices.

I have enclosed for your convenience typed Notices of Claim that must be signed in the presence of a Notary and returned to this department within 10 days (November 2, 1992). Failure to return the Notices could result in your Notices not being filed with the court.

I am sorry for any inconvenience. Please do not hesitate to contact this office if you have any questions regarding this matter (525-7161).

Respectfully submitted,

Ernest Carlsen
Adjudication Supervisor
