RE: NOTICE OF CLAIM A75-04184

Dear Ms Yakovac:

While doing the initial comparison between computer generated Notices and hard copy Notices filed by claimants in Basin 75 (Lemhi County) in April, 1990, it has come to our attention that a signed and notarized copy of your notice is not in our files.

Although a Notice of Claim to your water right has been data entered in our computer system, it is necessary that we have a signed and notarized Notice before we can process the Notice and make recommendations to the court. Since your names on the Notice of Claim are separated by "and/or" only one of you need sign it before a Notary Public.

I have enclosed for your convenience a typed Notice of Claim that must be signed in the presence of a Notary and returned to this department within 10 days (November 30, 1992). If the signed Notice is not returned by this date, this office will initiate procedures for refunding the filing fee paid in conjunction with the Notice of Claim form you submitted for the Snake River Basin Adjudication (SRBA).

The effect of this action will be to remove this Notice from the Department's records. Should you decide to refile this Notice once the refund has been issued, the new filing will be subject to a late fee of \$50.00

I will keep your Notice of Claim in my office until December 1, 1992. If we have not heard from you, the refund process will be initiated.

I am sorry for the delay in returning this Notice and any inconvenience. We have so many Notices from all over the State that have similar problems, it has taken us awhile to get to all of them. Please do not hesitate to contact this office if you have any questions regarding
