RE: DOMESTIC ADJUDICATION NOTICE A75-07076

Dear Ms. Crawshaw:

Please find enclosed a computer generated copy of your Notice of Claim to a Water Right, A75-07076. In review of your original claim, the following discrepancies were noted.

The date (month, day, and year) water was first used for the purpose(s) claimed must be listed in Item #2. The date listed on the Notice of Claim was April 1, 1982. According to the license issued for this water right the **actual Priority Date is April 30, 1977.** The April 1, 1982, date is the Proof Date, or, when proof of the completed water system was due.

The legal description of the Place of Use in Item #10, and the Point of Diversion in Item #4, have been modified based on information from the original license. They both describe the same 40-acre tract of land. **You should verify this information is correct.**

In addition, you have filed a claim, number A75-07075, for 0.02cfs for irrigation purposes from an 18 foot well. This claim will be addressed under separate cover due to an error in filing.

Please review the enclosed Notice for accuracy. In a few cases, modifications were made by the Department for clarity. Should you determine certain items need to be changed, make the necessary changes on this form, sign it, having your signature notarized, and return it to this office by **March 25, 1993.** If there are no changes simply keep this Notice for your records.
