Dear Mr. Petterson:

I have received your "notice of change in ownership". Thank you for including complete records with your notice. I have reviewed this water right and discovered that a "notice of claim" for the Snake River Basin Adjudication (SRBA) has not been filed. A claim in the SRBA is required of all water users within the basin even if the water user has a prior license. The deadline to file is long past and a late fee is now required with all late claims. I have enclosed the necessary forms and instructions for filing your SRBA claim. I have also enclosed additional information that explains the SRBA process. Please contact our office if you have any additional questions or if we can be of any further assistance.

Sincerely,

Scott D. Van Hoff
Water Resources Agent
