The Notice of Claim to a Water Right received by your office on Feb. 27, 1990 and subsequently returned to me with your letter dated Feb. 28, 1990 has already had an Application for Permit filed in 1983. The Application for Permit Ident. No. is 75-7361. This Application was approved on July 20, 1983.

In reviewing the instructions for filing Notice of Claim I see that in Item 15 that I should have included the Permit Ident. No. This has now been entered as required.

There are two corrections/modifications that are required to eliminate any confusion between the Application for Permit, Ident. No. 75-7361 and Notice of Claim to a Water Right. The Place of Use and Place of Diversion are the same and should read, "SW $\frac{1}{4}$ of SE $\frac{1}{4}$ of Section 30 T24N R22E B.M." on both Permit and Claim applications. At the time of submitting the Application for Permit we had not experienced three drought years and when asked the purpose of the diversion and storage pond it was suggested to enter "Storage for Aesthetics". Since then the North Fork Fire Protection District has been formed. Both they and we agree that storing water for the purpose of fire fighting in the District is desirable. Therefore, the stated purpose should be changed to read "Storage for Fire Protection" on the Application for Permit.

I am returning my check and the Notice of Claim to a Water Right which has the addition of the Permit ID number. I request that you make the corrections/modifications to the already approved Application for Permit in your files.

Respectfully yours,
