To whom it may concern,

Attached are a Notice of Claim to a Water Right (4 pages), and a check covering the fee for filing. I am currently residing in California so was unable to go to one of your claims offices. I hope that I have interpreted your claim forms correctly and have sent the right amount. I determined the amount as follows:

\$50.00	flat fee
<u>\$13.00</u>	\$1.00 per acre
\$63.00	total

As explained on the form, the section (27) where my property is located is irregular in shape. When determining 1/64 sections I did it as though it were regular, therefore each 1/64th section is larger than 10 acres (note picture). I hope that this is correct. If there are any changes necessary please contact me.

Thank you,
