Counsel for the United States of America

**IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE
STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS**

In Re SRBA	)	Subcase No. 77-11665
	)	
Case Number: 39576	)	AFFIDAVIT OF CLEM POPE
_____	)	

State of: IDAHO
County of: VALLEY

Clem Pope being first duly sworn upon oath, deposes and says:

1. I am currently employed by the United States Department of Agriculture, Forest Service (Forest Service), as the Wilderness Resource Specialist on the Krassel Ranger District of the Payette National Forest. I have been employed by the Forest Service for 30 years.

2. As part of my assigned duties and responsibilities as the Wilderness Resource Specialist on the Krassel Ranger District I am familiar with and use Chamberlain Guard Station.

3. I have reviewed the reserved water right claim, as amended and attached as Exhibit 1, submitted by the Forest Service for Chamberlain Guard Station (Claim).

4. The Claim was prepared by Forest Service personnel as part of their normal duties. I verified the legal locations as set forth and described in Exhibit 1 and have personal knowledge that the location of the point of diversion and point of use and source of the water supply are true and correct as described in Exhibit 1.

5. The Claim is situated wholly within National Forest System lands. It is currently utilized by the Forest Service at Chamberlain Guard Station to manage National Forest System lands.

6. The Claim is necessary for the administration of the National Forest pursuant to the Organic Administration Act of 1897, 16 U.S.C. § 475 *et seq.*, for the purposes of securing favorable conditions of water flow and to furnish a continuous supply of timber.

7. The United States filed this Claim for use in association with Chamberlain Guard Station, an Administrative Site located in the Frank Church River Of No Return Wilderness in a remote part of the Payette National Forest. The administrative site includes a residence, three cabins, a warehouse, a tack shed, a nearby landing strip and other capital improvements. It is used every year for administration of National Forest resource management programs.

Personnel utilize water at this site for administrative purposes. This is an important site for

management of the wilderness. Personnel are normally housed at the site include a wilderness technician and a wilderness trail crew. Their presence, occupation and use of Chamberlain Guard Station is essential to the overall administration of Forest Service programs on this part of the Payette National Forest to protect timber and watersheds from depredations and fire. This remote site becomes a an active hub at any time there is a fire in the area for access and operations to support fire suppression. A well maintained trail system and employee presence is vital in this area, thereby ensuring continuing viability of the resources on surrounding federally reserved National Forest System land to maintain and improve watershed conditions, timber production and favorable conditions of water flow.

8. Based upon personal experience and knowledge, discussions with Forest Service personnel and review of relevant Forest Service records, including but not limited to, on-site inspection records, water has been historically, and is presently utilized at Chamberlain Guard Station in quantities up to and including 0.02 c.f.s. during the period of May 1 through November 30, as described in Exhibit 1.

9. Based upon the forgoing, I have personal knowledge of the following elements of the reserved water right claim:

a. The name and address of the claimant is:

UNITED STATES OF AMERICA acting on behalf of the U.S.D.A. Forest
Service, 550 W. Fort Street, MSC033, Boise, ID 83724.

b. The source of water is:

Spring

c. The location is:

1) point of diversion:

B.M., T. 24 N, R. 10 E, S. 27 NESW.

2) place of use:

B.M., T. 24 N, R. 10 E, S. 35 NWSW.

d. The quantity of water is:

0.02 c.f.s.

e. The period of use is:

May 1 through November 30

f. The purpose of use is:

Administrative purposes at Chamberlain Guard Station.

Dated this 28 day of April, 2003.
