MOTION TO ALTER OR AMEND

Respondents Magic Valley Ground Water District, Aberdeen-American Falls Ground Water District, Bingham Ground Water District, Tim Deeg, and Ralph Breeding ("Respondents") file this Motion to Alter or Amend the Special Master Report and Recommendations, dated January 10, 2003 for the above captioned subcases. These recommendations do not contain the subordination language as part of the priority date element. This appears to be a clerical error as the Special Master's Order on Summary Judgment concludes that subordination is required. Respectfully submitted this 26th day of February, 2003.
