DISTRICT COURT-SRBA
TWIN FALLS CO., IDAHO
FILED _____
2003 MAY 14 AM 11 58

Page 1

1) The assertion in the report prepared by IDWR that "claimant of water right 43-10356 has in recent years changed his delivery system to include a concrete structure located across the natural channel of Almo Creek. The Department has determined that pumping from that position may cause injury to senior Raft River water rights and may improperly impound unnamed springs that as tributary to Raft River;"

2) The claimant does not object to an *Order of Interim Administration* being entered in accordance with the recommendation of IDWR;

3) No motions to alter or amend the *Special Master's Recommendation* were filed; and,

4) The trial on merits is set to commence May 29, 2003.

Therefore, IT IS ORDERED, that the above-captioned water right shall be administered in accordance with the *Special Master's Report and Recommendation Re: Interim Administration* until such time as a *Partial Decree* is entered therefore, or upon further order of this Court.

Dated this 14th day of May, 2003.

Honorable Roger S. Burdick
Presiding Judge
Snake River Basin Adjudication
