NOTICE OF CLARIFICATION

Page 1

COMES NOW the United States of America ("United States"), Pickett Ranch and Sheep Company and Joe Tugaw ("Private Parties"), by and through their respective attorneys of record, and hereby submit this Notice of Clarification in the subcases listed on Attachment A - Column 1.¹

On August 29, 2002 the United States and Private Parties filed a *Stipulation and Joint Motion for Order Approving Stipulation* ("Stipulation") in several thousand subcases identified in Exhibits A through G of that Stipulation. Contained within Exhibit A and E of the Stipulation are subcases in Basin 47 involving the instant parties.

Pursuant to the terms of the Stipulation, the United States, Private Parties and IDWR are in agreement and will stipulate in Standard Forms 5 ("SF5's") that certain claims will be split, removing the original claim number and adding two or more new claim numbers that would limit the use of the claims to a total combined diversion rate and quantity. The new claim numbers do not appear in the Stipulation.

The United States and Private Parties wish to clarify that the terms and conditions of the Stipulation shall be applied to the new water right claim numbers identified in Attachment A. Attachment A - Column 1 identifies the original claim numbers that are at issue. The terms and conditions of the Stipulation as they relate to Exhibit A of the Stipulation shall apply to the water right claim numbers listed in Attachment A - Column 2. The terms and conditions of the Stipulation as they relate to Exhibit E of the Stipulation shall apply to water right claim numbers listed on Attachment A - Column 3.

¹This Notice is being filed in the original subcase numbers identified on Attachment A - Column 1 at this time. This Notice will also be filed in the subcases listed on Attachment A - Columns 2 and 3 at the time the SF5 Amended Notices of Claims are filed with the Court.
