Re: Notice of Clarification - Basin 47 - Forest Service and Western Stockgrowers Association

Dear Clerk:

On April 21, 2003 the United States and Western Stockgrowers Association filed a Notice of Clarification ("Notice") in subcases 47-14999 et al. At that time the Notice was for the subcases listed in Attachment A - Column 1, the root rights at issue.

On April 28, 2003 the parties filed SF5's that split the root rights into two new rights. The attached Notice of Clarification is now being filed in those new subcases listed on Attachment A - Columns 2 and 3.

Copies are included for filing and for your files.

If you have any questions please give me a call at 208-331-5942.

Sincerely,

Jamie Gough
Paralegal Specialist
USDA Forest Service

NOTICE OF CLARIFICATION

NOTICE OF CLARIFICATION

Page 1

COMES NOW the United States of America ("United States") and Western Stock Growers Association et al. ("WSG"), by and through their respective attorneys of record, and hereby submit this Notice of Clarification in the subcases listed on Attachment A - Columns 2 and 3.

On August 29, 2002 the United States and WSG filed a *Stipulation and Joint Motion for Order Approving Stipulation* ("Stipulation") in several thousand subcases identified in Exhibits A through G of that Stipulation. Contained within Exhibit A and E of the Stipulation are subcases in Basin 47 involving the instant parties.

On March 21, 2003 the United States and WSG filed a Notice of Clarification ("Notice") in the original subcase numbers listed on Attachment A - Column 1. In that Notice the United States and WSG stated that a second Notice of Clarification would be filed following the submittal of SF5's in the subcases listed on Attachment A, Columns 2 and 3.

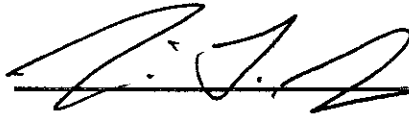

Pursuant to the terms of the Stipulation, the United States, WSG and IDWR filed Standard Forms 5 ("SF5's") on March 28, 2003 splitting the original claim number and adding two or more new claim numbers that limit the use of the claims to a total combined diversion rate and quantity. The new claim numbers do not appear in the Stipulation.

The United States and WSG wish to clarify that the terms and conditions of the Stipulation shall be applied to the new water right claim numbers identified in Attachment A. Attachment A - Column 1 identifies the original claim numbers. The terms and conditions of the Stipulation as they relate to Exhibit A of the Stipulation shall apply to the water right claim numbers listed in Attachment A - Column 2. The terms and conditions of the Stipulation as they relate to Exhibit E of the Stipulation shall apply to water right claim numbers listed on Attachment A - Column 3.
