Re: SRBA subcase 63-4548

Dear James,

We are in receipt of your letter dating June 24, 2003. Our records indicate that you are the claimant to water right 63-4548. Although you have not filed an objection to your own water right, objections have been filed by both the United States Department of Justice and the Boise Project Board of Control to water right 63-4548. As the Notice of Hearing states attendance is mandatory, however, if you chose not to appear at the hearing and settlement is reached you will have to abide by the decision of the parties and the court regarding the elements of your water right.

If you have any further questions please feel free to call or write.

Thank You

Debbie Lash/Assistant to the Special Master
