MOUNTAIN HOME IRRIGATION DISTRICT
System Description

by Linda A. Werner
Sr. Water Resources Agent

Mountain Home Irrigation District services its irrigated acreages from 3 reservoirs. These are Little Camas Reservoir whose source is Little Camas Creek, Long Tom Reservoir with source Long Tom Creek and Mountain Home Reservoir (aka Rattlesnake Reservoir) with sources of Canyon Creek and Rattlesnake Creek. All three reservoirs are under one system.

Little Camas Creek flows northerly into Little Camas Reservoir. Other sources for storage in Little Camas Reservoir are Dollar Creek, Castle Rock Creek, Chimney Creek and Buck Creek; all are tributary to Cat Creek which flows into Little Camas Reservoir. These sources have no manmade development. Water is conveyed from Little Camas Reservoir by means of an aqueduct whose beginning is located in T1S, R9E, Section 9, SW1/4 NE1/4. The point of origin of this aqueduct is located in drainage Basin 63. The overflow from Little Camas Reservoir flows to the Anderson Ranch Reservoir.

Effluent from this aqueduct flows to the East Fork of Long Tom Creek (Basin 61) in T1S, R8E, Section 22, SW1/4 SW1/4. Water then flows to Long Tom reservoir. Water is conveyed through Long Tom Creek via the spillway in Long Tom Reservoir which is located in T1S, R7E, Section 36, SW1/4 SW1/4. The confluence of Long Tom Creek and Canyon Creek is located in T1S, R7E, Section 31, NW1/4 SW1/4. The means of conveyance from this point is Canyon Creek.

Approximately 5 miles downstream is a feeder canal located in T2S, R6E, Section 36, NE1/4 NW1/4. That canal conveys water to the lands on the east side of the district; some of which were previously known as Elmore County Irrigated Farms. This canal conveys water to Mountain Home Reservoir. Also, at this point, excess water can be conveyed to the Snake River via the old Canyon Creek channel.

A second canal, located in T2S, R6E, Section 36, NE1/4 SW1/4, conveys water to the western lands of the irrigation district. This canal is known as the Lamberton West Side Canal. Any remaining water (if any, there is usually none) will go to a private reservoir located in T4S, R7E, Section 20, NE1/4 SW1/4. Mountain Home Irrigation District's responsibility for water conveyance ends just above this area.

Rattlesnake Creek is also tributary to Mountain Home Reservoir with the inflow located in T3S, R7E, Section 16, NW1/4 NW1/4. The outflow from the dam to the canal originates in T3S, R7E,

MICROFILMED

AUG 12 1992

Section 18, SW1/4 SE1/4, which used to be the Rattlesnake Creek channel. Spillway water also runs into the canal.

Effluent from the Mountain Home Reservoir is carried through the East Side Canal, located in T3S, R7E, Section 18, SW1/4 SE1/4 and conveys water to the east side of the district lands. The East Side Canal ends in the vicinity of T4S, R7E, Section 16, NW1/4 NW1/4. At this point the conveyance of the water is no longer the responsibility of the irrigation district. There are also ponds in the vicinity for any overflow, which is rare. The flow in the canal after this point is private.

Water was first put to use upon lands under Mountain Home Irrigation District in approximately 1892.

Completion dates of reservoirs, per our records:

Little Camas reservoir-1912
Mountain Home reservoir-1906
Long Tom reservoir-1906

See adjudication claim A63-20139 for a map depicting the system and places of use.

See decrees 61-A, 61-A-1, 61-B and 63-A

APPLICATION FOR TRANSFER OF WATER RIGHT

STATE OF IDAHO,)
COUNTY OF ELMORE,) ss.

H. J. Kniefel and W. D. Clayville, each being first duly sworn, depose and say:

That each of them is of lawful age, a citizen of the United States and of the State of Idaho, and that the post office address of each is Mountain Home, Idaho; that they are the president and secretary respectfully of the Mountain Home Irrigation District, the applicant named in the within and foregoing application, and that they make this application for and on behalf of such District and are hereunto duly authorized; that Mountain Home Irrigation District is an irrigation district created under the laws of the State of Idaho, and is situate within Elmore County, Idaho.

That the Mountain Home Irrigation District is the owner of and using a certain water right, bearing date of priority of March 1st, 1876, for ^{two} one and one-tenth cubic feet per second of the waters of Canyon Creek, County of Elmore, State of Idaho, decreed to Susan Lockman, and a certain water right, bearing date of priority of June 1, 1876, for one cubic feet per second of the waters of said Canyon Creek decreed to Frank P. Ake and A. W. Lockman, by decree of Hon. Edward A. Walters, Judge of the Third Judicial District of the State of Idaho, in and for the County of Elmore in the case of Richard Bennett et al, plaintiffs, vs. F. A. Nourse, et al, defendants, said decree bearing date of July 30, 1914,

and recorded in Book 4 of Judgments at page 318 of the records of Elmore County, Idaho, as modified by that certain decree of record in the office of the Clerk of the District Court of the County of Elmore in Book 7 of Judgment Record, page 441, for the purpose of irrigating the following described lands situate, lying and being in water district number one in the County of Elmore, State of Idaho, to-wit:

East one-half of the Southeast Quarter ($E\frac{1}{2}SE\frac{1}{4}$) of Section Thirty-five (35), Township two (2) South, Range six (6) East, Boise Meridian, and Lots one (1) and two (2), being the North half of Northeast Quarter ($N\frac{1}{2}NE\frac{1}{4}$) of Section Two (2), Township three (3) South, Range Six (6) East of the Boise Meridian,

and that the said Mountain Home Irrigation District has become the owner of such rights by purchase and conveyance thereof from the successors in interest to the said Susan Lockman, A. W. Lockman and Frank P. Ake, as per abstract of title of said water right submitted herewith and made a part of this application.

That said waters are now diverted from the said stream in the Northwest quarter ($NW\frac{1}{4}$) of Section thirty-six (36), Township two (2) South, Range six (6) east, of the Boise Meridian, and conducted to the above described lands first through the main canal of said Mountain Home Irrigation District and thence through canal to said lands; that the said Mountain Home Irrigation District desires to abandon the use of two and one-tenth cubic feet per second of said water upon the above described land, and to convey and use the same upon all of the lands within the boundaries of and comprising the Mountain Home Irrigation District.

That the reasons of Mountain Home Irrigation District for desiring to make such transfers are as follows:

The lands hereinbefore described upon which said water rights have been heretofore used produces only crops of wild hay and pasture and a limited amount of grain and is not as useful for agricultural purposes as other lands within Mountain Home Irrigation District upon which said waters are desired to be used, and that such waters can be placed to a more beneficial use and a more productive use upon the lands generally within Mountain Home Irrigation District.

That said Mountain Home Irrigation District intends to divert and convey two and two-tenths second feet of water to the lands within the boundaries of and comprising the Mountain Home Irrigation District in the following manner, to-wit: through the canals, ditches, and points of diversion of the Mountain Home Irrigation District; and that no one will be injured by such transfer.

WHEREFORE, affiants on behalf of said Mountain Home Irrigation District pray that the Commissioner of Reclamation of the State of Idaho issue to it the proper certificate authorizing such transfer, in accordance with the provisions of section 41-216 of the Idaho Code Annotated as amended.

(7) _____
Subscribed and sworn to before me this 2nd day of December, 1941.

Notary Public for Idaho,
Residing at Mountain Home, Idaho.

APPLICANT WILL ANSWER THE FOLLOWING QUESTIONS:

(1) From what stream is the water diverted?

Ans. Canyon Creek

(2) Where is the diversion point located?

Ans. Northwest quarter of section thirty-six, township two south, range six east of the Boise Meridian.

(3) Through what ditch is it now conducted?

Ans. Canal of Mountain Home Irrigation District.

(4) How much land is irrigated by the water sought to be transferred?

Ans. 60 acres of the lands particularly described as follows, to-wit:

East one-half of the Southeast quarter ($E\frac{1}{2}SE\frac{1}{4}$) of Section Thirty-five (35), Township two (2) South, Range Six (6) East, B.M., and Lots one (1) and two (2), being the North half of Northeast quarter ($N\frac{1}{2}NE\frac{1}{4}$) of Section Two (2), Township Three (3) South, Range Six (6) East of the Boise Meridian.

(5) What is the total amount of water in inches, or second feet, dedicated to said land?

Ans. 110 miners inches (2.2 second feet)

(6) What kind of crops are being raised?

Ans. On portion of land under cultivation grain is the predominant crop. There is also grown some alfalfa hay. A large part of the land is not suitable for crop raising and is therefore used as meadow land and for grazing purposes.

(7) How much water per acre is now required to irrigate said land?

Ans. Variable.

(8) What will be the effect on the land now irrigated if the use of the water on it is discontinued?

Ans. The land on which the use of the particular water right herein defined is sought to be discontinued was heretofore by resolution of the Board of Directors of Mountain Home Irrigation District duly adopted on the 6th day of December, 1938, certified copy whereof was recorded in the office of the County Recorder of Elmore County in Book 38, Miscellaneous Records, at page 520, annexed to the Mountain Home Irrigation District and the boundaries of said district changed accordingly so as to include the said described lands within the said district.

(9) Give location of new points of diversion, if change is to be made.

Ans. Point of diversion will remain the same.

(10) Through what ditch will it be conducted after transfer?

Ans. Through the canals, ditches, and laterals of the Mountain Home Irrigation District.

(11) How much water will be required per acre to irrigate the land to which this water is transferred.

Ans. Three acre feet per year.

(12) Do you claim any other water right for the land from which you seek to abandon the use of this water? If so, give amount, date and source.

Ans. No. I am not interested in either of the water rights mentioned and described and is not in any way interested in either of the water rights mentioned and described and that the statements made by me are true and correct and that I am not interested in either of the water rights mentioned and described and is not in any way interested in either of the water rights mentioned and described.

(13) Is there now any other water right for the land to which you seek to make this transfer? If so give amount, date and source.

Ans. Yes; the storage and creek rights of Mountain Home Irrigation District.

as President and Secretary respectively
of Mountain Home Irrigation District.

STATE OF IDAHO,)
COUNTY OF ELMORE,) ss

and

being first duly sworn, each for himself, and not one for the other, deposes and says: That he is a citizen of the United States and of the State of Idaho, residing at Mountain Home, Idaho, that he is user of water from Canyon Creek, in Water District No. 1, County of Elmore, State of Idaho; that he has read or heard read the foregoing affidavit and petition of H. J. Kniefel and W. D. Clayville, President and Secretary respectively of Mountain Home Irrigation District, and is familiar with its allegations and with the water right and lands therein mentioned and described and is not in any way interested in either, nor in any way related to said petitioner; that the statements and allegations therein made are true of his own knowledge; and that no one will be injured by the granting of

the certificate authorizing the transfer therein petitioned.

Subscribed and sworn to before me this _____ day of December, A.D.
1941.

Notary Public for Idaho,
Residing at Mountain Home, Idaho.

STATE OF IDAHO,)
COUNTY OF ELMORE,) ss.

I, W. D. Clayville, Watermaster of Canyon Creek Water District
No. 1, County of Elmore, State of Idaho, whose postoffice address
is Mountain Home, Idaho, have read or heard read the foregoing
affidavit and petition of H. J. Kniefel and W. D. Clayville as
President and Secretary respectively of Mountain Home Irrigation
District, and, of my own knowledge, believe the same to be true
as to all matters therein alleged, and that no one will be injured
by the transfer prayed to be authorized; and I hereby endorse my
approval of said petition, and request that the Commissioner of
Reclamation issue the certificate of transfer as petitioned.

Watermaster Dist. No. 1

Dated at Mountain Home, Idaho, this _____ day of December, 1941.
