RE: Change in Notice of Appearance of Counsel on the Snake River Basin Adjudication Claims for Owen Ranches, Pioneer Irrigation District, Cyprus Thompson Creek Mining Company, Conversion Industries U.S.A., Inc. and Settlers Irrigation District

Dear Scott:

The five computer reports enclosed confirm the change in firm and address you requested in your letter dated February 13, 1992. By comparing these reports to the list you supplied with your letter, you will see not all of the water right claims listed in your attachments were changed. Those claim records not changed are filed by persons other than your client(s).

The possibility of questions I raised in our telephone conversation last week were resolved for my part. If you have any questions or need some points clarified, please feel free to contact me.

Thank you for supplying the claim lists in an orderly fashion.

Sincerely,

Donald V. Shaff
Manager, Adjudication Section

**Re: Change in Notice of Appearance of Counsel on the Snake River Basin
Adjudication Claims for Owen Ranches, Pioneer Irrigation District,
Cyprus Thompson Creek Mining Company, Conversion Industries U.S.A.,
Inc. and Settlers Irrigation District**

Dear David:

Pursuant to a prior telephone conversation with Ms. Lynne Krogh-Hampe, I am providing this correspondence to notify the Idaho Department of Water Resources of my change of address and affiliation. I am presently a partner with the law firm of Davis Wright Tremaine at the above-referenced address.

Because of this change, I request that the Idaho Department of Water Resources make the necessary modifications to its records pertaining to the Snake River Basin Adjudication regarding the water rights and notices of claim identified for the above-referenced clients, as indicated on the attached lists, marked Exhibit A. Based upon my prior conversations with Lynne, she indicated that one letter with identification of the individual water right numbers would be sufficient. Please notify me in writing if this is not the case. Additionally, I would appreciate receiving written confirmation that the requested changes in your records have been made, so that I may include copies of your confirmation in the individual claim files for each client and each water right.

Thank you very much for your cooperation.

Very truly yours,

DAVIS WRIGHT TREMAINE

Re: Identification Number Change for a Notice of Claim in the
Snake River Basin Adjudication (SRBA)
Owyhee County - Claim Nos. A51-10350 and A51-10351

Dear Claimants,

The identification numbers of your Notices of Claim to a
Water Right have been changed from A51-00004 to ~~A51-10350~~ and
from A51-00039 to A51-10351. The claims you filed actually
combine three existing rights: 51-00004, 51-00040 and 51-00064
into one claim and two different rights: 51-00039 and 51-00063
into another. The Idaho Department of Water Resources assigns
identification numbers to claims that will allow processing
without duplication or confusion; this change does not affect
your claims in any other way.

Enclosed are computer-generated copies of your claims with
the new identification numbers. Refer to these record numbers
in any future inquiries or correspondence. Please do not
hesitate to contact this office, if you have any questions.

Sincerely,

Jan Shurte
Adjudication Supervisor
