Dear Sir:

I received Water Right Number 34-13626 February 20, 2003/

I would like to change the priority date of 03/16/1923 to May 15, 1892.

The priority date of 03/16/1923 was the date of a stock water/small irrigation well. May 15, 1892 was the date that this place was homesteaded. Spring Creek is a tributary of the Big Lost River and has been here since the Big Lost River ran through the Valley. I would like to change the priority date of stock water to be compatible with the decree water right.

Thank you,

A handwritten signature in cursive script that reads "Reva W. Walker".
