Department of Water Resources

IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE
STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS

In Re SRBA	)	SUBCASE NO: 37-2645
	)	(SPLIT INTO 37-20840 AND 37-20841)
	)	
Case No. 39576	)	STANDARD FORM 5
	)	
	)	STIPULATED ELEMENTS OF A
	)	WATER RIGHT

This form is used to report the stipulated elements of one water right acquired under state law. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; and they have been served with sufficient process, according to the law; and that they have appeared, prosecuted and defended their positions with regard to this water right dispute.

To resolve the objection, water right 37-2645 was split into two water rights and renumbered as 37-20840 and 37-20841. The SF5s for these two rights are being filed with the SRBA Court herewith. Therefore, IDWR recommends that water right 31-2645 be disallowed. **The parties and IDWR agree and stipulate that water right 31-2645 should be disallowed as recommended by IDWR.** The parties and IDWR further agree that this SF5 will resolve the objection filed by the BLM in this subcase and have indicated their concurrence by their signatures below.
