Case No. 39576

SUBCASE NO.: 82-10729

STANDARD FORM 5  
AMENDED CLAIM

For Domestic and Stockwater Rights

This form is used to report the stipulated elements of one "domestic and/or stockwater" right acquired under state law and/or one federal reserved water right and to amend the Notice of Claim. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; that they have been served with sufficient process, according to the law; and that they have appeared, prosecuted, and defended their positions with regard to this water right dispute.

The parties and IDWR agree and stipulate that the elements of this water right should be decreed as described per the attached Amended Claim, **except IDWR's concurrence is limited to the state based elements only. Since by law IDWR neither investigates nor recommends federal reserved water rights it has no knowledge of, nor opinion regarding, the validity of the federal basis of the right.** The parties and IDWR have further indicated their concurrence by initialing each of the attached pages.
