PLEASE NOTE!

During one of the database conversions in the past, a truncation of the land lists occurred on some of the WR database records. This problem was identified when the SRBA claims in the Payette basin were generated. A few of the claims may have been constructed using these incorrect land lists. This may be one of those claims:

A65-02247

A65-02454

A65-02573

A65-05033

A65-05411

A65-07777

A65-09539

A65-10388

A65-10473

Please check the land list on this claim against the Payette decree "Blue Book". An amended claim may be required if the claimant wishes to claim additional acres.

Mr. Remsen:

In going through our records, we found some old irrigation district boundaries. I am including a map of the Boulder Irrigation boundary and a copy of the claims filed on by Boulder Irrigation. Please look over the map and make any changes you feel are needed to accurately reflect the irrigation boundary.

Also, I have included a change of address form. To change the address in our files, I will need to have this form completed and signed.

After you have had a chance to look over this information, please mail the map and change of address form back to me, or we can set up an appointment.

Thank you, and please call me with any questions.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Sue Bock', is written over a horizontal line.
