RE: Water Rights in Reporting Area 15, Basin 65
Snake River Basin Adjudication (SRBA)

Dear Water Right Claimant(s):

Please find enclosed the Idaho Department of Water Resources recommendations for your water right(s) in part 1 of basin 65 (the North Fork of the Payette River drainage area). We have also enclosed instructions for reviewing (1) your recommended water right(s), and (2) other recommended right(s) in your area. Water rights for nearly all domestic and/or stockwater rights were recommended separately in an earlier report, and most of those now have been decreed by the SRBA Court.

Note you have 120 days in which to review the water rights of other claimants and to file any objection to our recommendations. Information on the other water rights can be found at the county courthouses in Cascade, Idaho City, Emmett, Payette, and Weiser, and at all of the Idaho Department of Water Resources offices (see addresses in enclosure).

If the SRBA Court does not receive an objection to our recommendation from you and no other party objects to your water right, your water right will be decreed early next year as recommended. You will receive your decree from the SRBA Court.

Completion of the SRBA is important for the future of water management in Idaho. We invite you to contact our regional offices with any questions you have about your water right(s) or this adjudication process.

Sincerely,

Karl J. Dreher
Director

Dear Mr. Cruickshank:

As we discussed during your visit to my office on March 1, 1994, I am sending this letter to you to summarize the actions I have taken on the above-referenced claims.

You listed a number of claims which required a change of address, due to changes made by the McCall post office. Since I failed to obtain a signed request from you for these address changes, the data base has been updated in an incomplete manner. For this reason I have attached a listing of those claims. Please review, sign, and return this document to complete the address change.

Claim numbers A65-02942 and A65-02958 are the two claims that I mentioned to you which, due to a computer limitation during the claims taking process, did not record all of the acres decreed to those rights during the Payette River Adjudication. I have amended the claims to include these additional acres. Please review these claims, add your notarized signature, and return them to this office to my attention. No fees are required.

Claim number A65-09666 has been changed to reflect new ownership, based on the tax receipts that you provided to me. A copy of the claim and a copy of the change in ownership form are enclosed with this letter.

Claim number A65-03333, which you informed me has been sold to the Idaho Transportation Department (State Highways), will be changed to reflect the change in ownership as soon as ITD provides additional documentation.

The claims listed below are filed in the names of James L. Cruickshank Trust, or Jarvie/Nasi. I am unable to change the ownership on these claims. The tax notices that you provided to me are for property in Twp. 17N, Rge. 03E, sections 27, 34, 35, and 36, and Twp. 16N, Rge. 03E, Section 2. The claims referenced below are all in Twp. 17N, Rge. 03E, section 10. In order to change ownership on these claims, please provide documentation that supports your ownership of the appurtenant lands. Please send this documentation to my attention along with the enclosed change of ownership form. The claim numbers are as follows:

A65-02340B	A65-03154	A65-03155	A65-03158B
A65-03159B	A65-03160	A65-03161	

In conclusion, the following needs to be returned to this office:

1. Signed list of claims which require a change in address.
2. Documentation of ownership for the claims in Twp. 17N, Rge. 03E, section 10, and a signed Change of Ownership form.
3. Signed and notarized amended claim numbers A65-02942 and A65-02958.

If I have missed any of your claims, or have misinterpreted your intentions, please do not hesitate to contact me. I will also be happy to address any questions or concerns that you have.

Sincerely,

Maria Minicucci
Water Agent, Adjudication Bureau

Civil No. 3667 *Helma R. Kolig*
ORDER AND PARTIAL DECREE
PURSUANT TO I.R.C.P. 54(b)

The foregoing Stipulation, of Lake Irrigation District, Edward A. Cruzen and the Department of Water Resources, having come duly and regularly before the Court and good cause appearing therefore,

IT IS ORDERED AND DECREED that the water rights, priority dates, uses, periods of use, quantification of rights, diversion points, places of use and basis of claim identified in Exhibit A attached hereto and incorporated herein by reference are adopted by this Court, and the Proposed Finding of Water Rights in the Payette River Drainage Basin (hereinafter "Proposed Finding") shall be amended accordingly. Some of the rights listed in Exhibit A were previously decreed by the court in its judgment of January 21, 1986. They are included here to provide a complete listing of all rights on Lake Fork Creek. Claim No. 65-10095, a reserved right claimed by the Forest Service, is not included because the State of Idaho and the United States are currently planning to become engaged in negotiations concerning federal reserved water right claims.

IT IS FURTHER ORDERED that all protests and objections

filed by Lake Irrigation District and Edward A. Cruzen against the water rights adopted by this Court in the preceeding paragraph are dismissed with prejudice.

IT IS FURTHER ORDERED AND DECREED that the Proposed Finding of Fact No. 10 and Conclusion of Law No. 6 as set out in the foregoing Stipulation and Finding of Fact No. 4 and Conclusion of Law No. 3 as set out in Exhibit B of the foregoing Stipulation are amended by said Stipulation.

IT IS FURTHER ORDERED AND DECREED that for purposes of operating Water District 65K the gauging station located in the SW1/4SE1/4NW1/4 section 8 township 18N range 4E B.M., above Jumbo Creek and above Tyee Creek shall have 10 per cent added to said gauge readings to account for the added flows of Jumbo and Tyee Creeks and other less distinctive sources between the old site of the gauging station and the present site, unless modified by order of this Court due to changes in the measured flows.

IT IS FURTHER ORDERED AND DECREED that for purposes of operating Water District 65K, reference may be made to the decree of Paul Michelson et al v. M. H. Williams et al (7th Judicial District, Valley County, 1928) for a period of five years following the date of this order, to answer questions arising as to the distribution of water rights listed in Exhibit A. The director of the Department of Water Resources, pursuant to his authority under Chapter 6, Title 42, Idaho Code, will initially

determine any distribution questions. The elements of the Michelson decree that are used in any orders or instructions to the watermaster during this five year term shall be made a permanent part of the water district file for Lake Fork Creek and shall be considered by the director in any future orders or instructions to the watermaster.

IT IS FURTHER ORDERED AND DECREED that jurisdiction is reserved by the Court, upon 10 days notice to the parties hereunto, to make corrections of clerical errors, inadvertences or omissions in the listing of water rights of Exhibit A to the foregoing Stipulation, and the reservation of jurisdiction for this purpose will date one year from the date of this Order.
