RE: Snake River Basin Adjudication (SRBA)
Notice of Claim to a Water Right #65-3983

Dear Mr. Walker:

I am writing on behalf of the Idaho Department of Water Resources (IDWR). To date, IDWR has not received a response to its letter of April 29, 2003, notifying you of a problem with the ownership and legal description of your water right.

If IDWR does not receive the change of ownership documents or otherwise hear from you within 30 days from the date of this letter, IDWR will be forced to withdraw its recommendation of your water right to the Snake River Basin Adjudication Court. Withdrawing the recommendation will prevent a decree of your water right in the SRBA at this time.

Submitting the previously requested documents will allow your water right claim to move forward and will allow IDWR to assist the SRBA to decree your water right correctly. At this point, the location of your home appears not to match the water right claim. For your reference, I am attaching a copy of IDWR's April 29, 2003 letter to you. Please call Don Shaff at (208) 327-7932 if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Garrick L. Baxter".
