Re: SRBA
Case No. 39576
Subcase No. 63-4905

Thank you for this opportunity to explain what has happened in regards to my mother's failure to respond to recent communications re: the waters allotted to the Gamboa property at Big Smoky.

My mother, Elizabeth Gamboa turns 78 this month. She received the communications about the hearings on the water rights but became overwhelmed by the procedures involved. She did not inform my brothers and ^{me} about the problem and it was only in mid July that we learned that hearings were being scheduled. Unfortunatley my mother did not have the dates.

These events have brought us together to support our mother who is happy to relinquish responsibility for these legal affairs and has asked me (or if possible all of us who form the Gamboa Trust; myself, Henry, Mark, Paul and John) to follow-up. We

have been educating ourselves about the situation and would ask that we be given the opportunity to respond. My mother remains concerned about the plans for the property but because of her age and mental status is unable to effectively respond to the communications from the IDWR.
