RE: Snake River Basin Adjudication (SRBA)
Notice of Claim to a Water Right #65-3983

Dear Mr. Walker:

I am writing on behalf of the Idaho Department of Water Resources (IDWR). To date, IDWR has not received a response to its letter of April 29, 2003, notifying you of a problem with the ownership and legal description of your water right.

If IDWR does not receive the change of ownership documents or otherwise hear from you within 30 days from the date of this letter, IDWR will be forced to withdraw its recommendation of your water right to the Snake River Basin Adjudication Court. Withdrawing the recommendation will prevent a decree of your water right in the SRBA at this time.

Submitting the previously requested documents will allow your water right claim to move forward and will allow IDWR to assist the SRBA to decree your water right correctly. At this point, the location of your home appears not to match the water right claim. For your reference, I am attaching a copy of IDWR's April 29, 2003 letter to you. Please call Don Shaff at (208) 327-7932 if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Garrick L. Baxter".

RE: Snake River Basin Adjudication (SRBA)
Notice of Claim to a Water Right #65-3983

Dear Mr. Walker:

The previous owner of your property and water right advised us today in a telephone conversation that you are the new owner of the property and water right. I have enclosed a copy of the Recommendation of this water right for your information. The water right is still in the name of the previous owner.

There is a problem with your water right which you are able to correct. The legal description shown at the bottom of the enclosed map does not match your Power Avenue address. You can see this difference when you look at the recommended water right and compare it to the map. Due to this suspected error with the legal description, the finalizing of the water right in the SRBA has not occurred.

If you are the current owner of this property, we require the enclosed Notice of Change of Water Right Ownership form be submitted before we can change our records. Please mark on the enclosed map where your home is and include it when you submit the change of ownership form.

Since this claim is still pending in the SRBA, *there is no fee* to change the ownership.

Please call me toll-free at 1-800/451-4129 if you have any questions.

Sincerely,

Donald V. Shaff, Manager
