Re: Recommendation for Water Right No. 29-4148

Dear Eric,

This letter is to follow up on our previous conversation regarding the recommendation issued for the water right referenced above.

IDWR filed the Basin 29 Director's Report for I & O with the SRBA Court on July 11, 2003. Recently, IDWR discovered a clerical error in the recommendation for 29-4148. The objection deadline for Basin 29 is November 14, 2003. To date, no objection has been filed and due to the clerical nature of the error, IDWR suggests that the Court consider setting aside the recommendation issued for 29-4148 on its own motion pursuant to IRCP 60 (a). A corrected recommendation is enclosed herein in strikeout/underline format.

Please call me if you would like to discuss this matter further. I can be reached at (208) 327-7928.

Sincerely,

A handwritten signature in cursive script, appearing to read "Susan".
