DESCRIPTIVE SUMMARY

This is the United States' unopposed motion to reschedule the December 5, 2003 trials set for the above referenced subcases.

MOTION

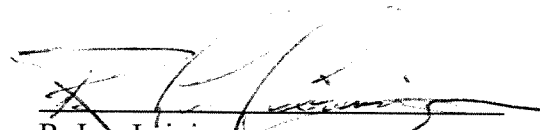

The United States hereby moves this Court for an Order rescheduling the December 5, 2003 trials to December 11, 2003. These water rights were claimed by the United

States for stockwatering purposes under state and federal theories of law. The federal law basis for these claims is a reservation to meet the purposes of Public Water Reserve No. 107. By order dated August 19, 2003, the Special Master set these subcases for trial.

Recently, counsel for the United States learned that he has been assigned to teach at a water rights conference in South Carolina to be held December 3rd through December 5th. Consequently, counsel respectfully asks that the December 5, 2003 trials be rescheduled to December 11, 2003. Further, these subcases involve federal reserved right claims. Affidavits will be submitted establishing the *prima facie* evidence of the claims pursuant to I.C. § 43-1411(A). The United States does not anticipate the introduction of other evidence and, therefore, respectfully requests that counsel be allowed to appear telephonically. Counsel for the State of Idaho was contacted and the State does not oppose this motion.

Respectfully submitted this 28th day of October, 2003.
